

Pocket Full O'Posies

Please enjoy this "freebie" design from CherryWood – designed for the ladies of JABCo & their wonderful new Lemonade Collection of buttons.

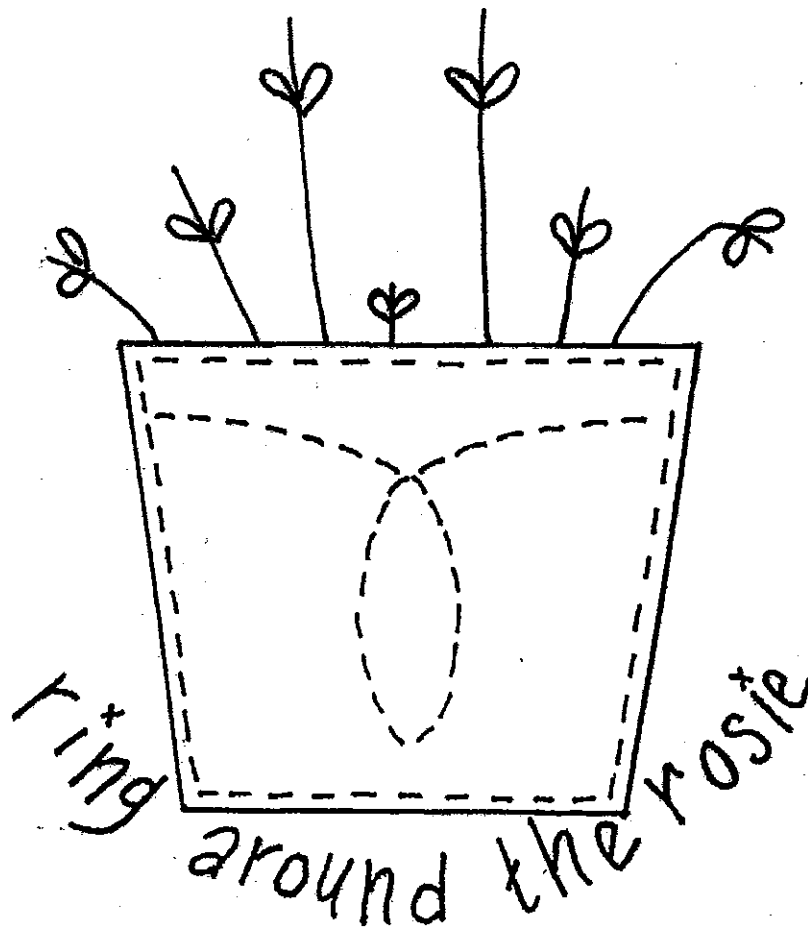

2 versions: 1 using the larger Lemonade Flower buttons & 1 with the smaller versions. We traced the pocket shape onto freezer paper & transferred to woolfelt, then stitched it to cotton fabric with the running stitches diagramed on the pocket. Not into woolfelt? – trace design onto cotton fabric & backstitch. Lazy Daisy for stem leaves & attach buttons.

Check out the photo on www.cherrywooddesignstudios.com for button placement & finishing ideas.

Supplies: cotton muslin or patterned quilting fabric, DMC floss (801 – words, 3768 – pocket, 3363 – stems & leaves, blanc – we used for running stitch on woolfelt), JABCo buttons
